The joy of giving

You're changing the lives of people without hope

Dear Friends and Partners,

As we look back over all that God accomplished in 2020 through your support of Julie's Heart Cry ministry, we have much to be thankful for! I want to share a few of the highlights:

COVID-19 compliance

Reopening during the pandemic was costly and challenging for schools throughout Uganda. Julie's Heart Cry supporters provided resources for the Good Samaritan Children's Center in Kampala, Blessed Steven's Hunter School in Luwero and Destiny Villages of Hope in Kantende so they could be compliant with COVID-19 health guidelines.

Your donations also paid for people to sew 2,500 masks, provided several infrared thermometers, gallons of liquid soap, multiple handwashing stations, hand sanitizer and so much more!

Pastor's daughter found

Thank you for praying last year for a pastor and his family as their 11-year-old daughter went missing in

What's in a name?

We need your help to come up with a name for the girls' home in Kenya! Please submit your ideas by the end of February to juliesheartcry@gmail.com. To get you started, here's one suggestion: the **Light House**. Now, put your thinking caps on and send in those ideas!

the middle of the night. God answered your prayers. Anastasie was found! The reason she ran away from home was heartbreaking. She left because she was hungry all the time.

Please be generous when trusted organizations or your home church request donations for local or global food pantries.

Global lockdown and hunger

The hunger crisis has worsened during the pandemic. Many people are so desperate they are selling their possessions to buy food.

Julie's Heart Cry ... page 2

Your generous donations provided food to needy people in East Africa, Central African Republic and South East Asia.

Vehicle for evangelism

On behalf of Pastor Frank and his evangelistic team, we would like to thank the Lord for a family who provided a vehicle that allows easier access into the mountains of Western Uganda.

The Girls' Home

Donations continue to come in as we work toward funding a girls' home in Kenya. To date, we have received almost \$39,000 — which leaves us still needing around \$141,000 to build and furnish the home. Please join us in praying that we can raise the money to start construction this year.

Restricted travel

We are continually in communications with our partners overseas though social media, phone calls and emails although we cannot travel. We look forward to serving alongside them again soon.

More praises

Because of you, the ministry also was able to provide 60 additional school benches for 300 preschoolers who were sitting on the floor or not attending classes at all because they didn't have enough seating.

Five young adults received business start-up equipment after they graduated from cosmetology, culinary and seamstress school.

We welcomed our first baby girl, Ann, from the displaced families since relocating to a safe community.

Prayer request

Please be in prayer for me and this ministry that I will not only continue to seek the Lord's face in every step but to also allow Him to speak truth through me no matter how difficult. Souls are at stake!

Also, be in prayer for some exciting changes in Julie's Heart Cry ministry that will be shared with you in future newsletters. Although brick and mortar is an important aspect of this ministry, my heart's cry has always been about souls.

Thank you for your faithful support!
