# JULIE'S HEART CRY

Bringing Hope to Women Globally

Dear Friends and Partners,

In my personal opinion, women are fully responsible for the majority of abortions. Pressure from their significant others, parents, employers, or even their academic institutions play a major role in their final decision. Those who pressure mothers -- counselors, psychologists, psychiatrists and the many doctors who endorse abortions for any reason -- will be held responsible as well.

The sanctity of life, as God defines it, is non-negotiable!

Our prayer is that all the women and everyone involved will see their need for Christ and His forgiveness. God is faithful and just to forgive their sins, and to cleanse them from all unrighteousness. Together, we can help to lessen the pressure, change their minds, save lives, and honor God.

## The Big Deals for this month's newsletter:

- Julie's Heart Cry (JHC) has a matching donation of up to \$10,000 for the Girl's Home in Kenya! You can donate \$100 toward the matching gift to provide a home where pregnant college students can stay for the duration of their academics and choose life for their babies.
- [Juliesheartcry.org](http://Juliesheartcry.org) is now able to receive Stock donations!
- A donation of \$100 will be commemorated with a brick on the legacy wall at the Girls' Home in Kenya. Your family's name (or any name of your choosing) will be added to the brick. The brick for the legacy wall is being offered to you, my newsletter readers, first before making it public in January.
- We also have a matching gift of \$15,000 for the displaced in Central African Republic! This matching gift will go toward:
  - A new home for a family of seven. (When you donate toward this you will receive a picture of the completed home, along with the family.)
  - A much needed surgery for a pastor's wife.
  - Legal Identification Documents for 37 people.
  - Medical evaluation for 37 people.

## PRAISE THE LORD!

As 2019 comes to an end, I want to thank you all. I greatly appreciate you for standing with Julie's Heart Cry, both prayerfully and financially. I am humbled by so many of you who read my newsletters and follow my sporadic posts on Facebook.

Thank you so much!

Recently, someone asked me what I wanted my legacy to be, or how I would like to be remembered? My answer is simple. My goal is to know that because I lived a baby will not be aborted. I pray that my heart, mind, words, and deeds will always be aligned with God's will, so that through the enabling of the Holy Spirit, a woman who is considering an abortion, will choose life.

If you find yourself feeling the same way and your prayer is that because you lived a baby will have a chance, join me and the other JHC supporters!

God has amazing things in store for Julie's Heart Cry in 2020. This is truly an exciting time for OUR ministry!

**In closing this newsletter, I want extend the warmest of holiday greetings to you and your family. May your time with your friends and family be memorable and God-glorifying during this Christmas season and into the New Year!**
